

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to you today as a current satellite DirectTV subscriber and would like to add my voice of opposition to the pending merger of EchoStar and DIRECTV. The combination of these two satellite providers will create a monopoly in the US and slow technologies and raise cost, if you do this I will cancel my service and file a complaint with the SEC. Satellite TV is not competition to Cable! they are to themselves!

Sincerely,

Larry Kuziak
